Red House Creates History

- By Ashley Yap

On 30th April, Red House emerged as this year's Sports Day champion house for the first time in the school's 10 year history. Blessed with good weather, the event was held at the Panasonic Stadium in Shah Alam.

Spectacular performances by the March Past teams of each house were showcased. Track events alternated between the Primary and the Secondary students, as well as the prize giving ceremonies.

The highlight of the evening was Red House captain Syauki Azim accepting the championship trophy jubilantly. Green House took second place, followed by Yellow House and Blue House.

Overall, this year's Sports Day was a successful one and we hope that the aspiring athletes will be inspired to try harder next year.

Congrats to all!

English, please…

AFTER three months of learning public speaking from our public speaking trainers, Ms Illya, Ms Elaine and Ms Khadijah, our students were more than ready to show off their prowess and in speaking English in public confidently.

The Sec 1 students wowed the audience with their slick moves and melodious delivery in the Poetry Slam. The Sec 2 students had their friends howling with laughter during their Story Telling competition, while the Sec 3 students tried their hand at discussing more serious issues such as people trafficking during their Talk Show. As for the Debates, the Sec 4 and 5 students were good, but ultimately, it was the all girl team of Dina, Tania and Audrey that won the judges' favour.

Here are photos of some of the performers and winners during the English Week prize giving ceremony.

Bringing out the Leader In You...

Held at Nur Lembah Pangsun Eco Resort, this year's Leadership Camp was an avenue for prefects, librarians and probates to learn valuable skills such as teamwork, problem solving and decision-making. Best of all, they learned these in an atmosphere of fun and camaraderie. Even Ms Vino made a special guest appearance!

OUR MIGHTY MINDS DO US PROUD AGAIN

Battling against more than 140 teams, APSS was the only school that had finalists in both Upper and Lower secondary categories of the prestigious Selangor state Mighty Minds Challenge held in May at Jaya Shopping Centre, PJ.

Even though we did not manage to bring back any State Champion title this year, our kids managed to grab the 4th and 5th spot for the Upper and Lower categories respectively! And this was after going through three grueling rounds (MCQs, Hands on Project and the final Buzzer round).

Below are the APSS Mighty Minders that have done us proud:

Upper Secondary team:
1. Mas Aisya Sofea - 4 Sc. 1
2. Yap Ee Ting - 4 Arts 1
3. Mak Ling Yan - 4 Arts 1

Lower Secondary team:
1. Firdaus Ahmad Farouk - 3 Neptune
2. Muhammad Zarif Danial - 3 Neptune
3. Umar Rashdan - 3 Neptune

Our participants took home RM 500 and RM 300 cash money respectively, as their winning prize.

Special thanks to the teacher coordinators - Ms. Soh Ya Lee & Ms. Rathi who had put a lot of effort in making this a success!
