Nurturing Global Minds

INTRODUCTION

Under the existing university intake requirement, students are required to participate in Co-Curricular Activities (CCA). At Asia Pacific Smart School, it is also an integral part of the holistic development of our students. The school seeks to enhance our students' potential through our Five Guiding Principles:

- Academic Excellence
- Character Building
- Civic Mindedness
- Health and Sport
- Language and Communication

The Five Guiding Principles will be pursued through CCA program. Moreover, CCA also bring students to the other dimension of learning experience; learning never just remain in classrooms. Our students will be given positive exposure through CCA to provide them with multi soft skills as preparation for the future.

CCA will benefit students through student-centered approach which emphasizes on the development of the students.
