Newsflash

The day we went missing missing from school

23rd February : Not an APSS student was in sight in school! Nothing sinister, though. Everyone had actually left on their respective buses for destinations known. It was the school's annual Educational trip after all!

Each level had different places to go to. Among the venues were: National Monument, Planetarium, Deer Farm, Malay Etymological Museum, Royal Police Museum, National Museum, Armed Forces Museum, Lukut Museum, Universiti Putra Malaysia, National Automotive Museum, Management and Science University, and Asia Pacific University.

Students enjoy their Educational Trip

Everyone had a wonderful time travelling to various places around Selangor. Some went as far as Port Dickson. The things we learned and the time we spent together with our classmates made the trip an unforgettable one! Wish we had more trips like these!

We'll miss you, Saigon!

Two teachers and 13 students went on a trip to Ho Chi Minh City from March 18-22nd. This was the first time the school had organized a trip to this beautiful city which had experienced a French colonial past and the Vietnam War.

The city is now an economic powerhouse. Skyscrapers are climbing higher each day, while people and vehicles buzz past hurriedly, all ready to meet the day's challenges.

The entourage visited the famous War Museum, the Notre Dame cathedral, the Reunification Palace, the Chu Chi Tunnels and the Mekong Delta. It was truly an unforgettable trip. They hope to go back one day!

Go Stallions!

2017 has become the best year for the APSS Stallions (Track & Field) team's participation in the Petaling Utama MSSD Championship, held from 27 – 28 February and 1 – 3 March 2017, at the Mini Stadium, SMK USJ23, Subang Jaya.

From being 6th in the points ranking in 2016; the Stallions have gone full throttle this year by placing ourselves at the **5th position** for both the medal and points ranking.

With 6 Gold medals, 4 Silvers, and 1 Bronze; we are now amongst the “goliaths” of the MSSD Track & Field world!

Muhd Fazziq carved a history of his own by winning Gold for both the 100m and 200m sprints! Nor Aida also created history by winning double Gold medals, for Javelin and Shot Put, while Muhd Zaki, our main hurdler, won Gold in the 110m Hurdles and Silver in the 400m Hurdles.
