First Day of School

The first day of school sets the tone for the rest of the year. Every year, hundreds of students enter our school on the first day of school. Students were eagerly and excitedly looking around to make new friends. After assembly, all the students went to their new classrooms with their new Home-room Teachers and Assistant Home-room Teachers. Ice breaking activities were conducted with hopes that the students would have a great start for the year.

The celebration in school started off with an energetic Lion dance and followed by a melodious violin performance by a Primary 6 student, titled “Da Di Hui Chun”. As to keep the spirit of the celebration going, the secondary students showed off their talents on stage with an enthusiastic Chinese Yoyo performance. A few primary 2 students dressed in red

Chinese traditional costumes, holding red lanterns also presented a dance, titled ‘Fu Qi’, which made the celebration merrier. The successful Chinese New Year celebration in APSS ended with a dance performance by the Secondary students.
